Transformed three bedroom ground floor apartment

This is a spectacular 3 bedroom ground floor apartment with a lush garden space!

The dining space and living room are open to the contemporary kitchen. The enclosed patio area is accessible from the lounge area.

An enclosed patio with a fireplace and frameless stacking doors connects from the open-plan dining and living space to a very quiet and private garden area. It feels opulent thanks to custom wallpaper and specially fitted bulk heads with shadow lines.

The kitchen is completely furnished with Smeg appliances, including a refrigerator, freezer, dishwasher, and washing machine. The cabinets have been expanded to the highest level.

The master bedroom has a separate dressing room with specially fitted cabinets and its own bathroom. Currently utilized as a study, the second bedroom has a full bathroom and views...
