SPACIOUS AND MODERN 4 BED FAMILY HOME

Bright and airy, this smart family home combines the use of double volume areas with high clerestory windows to maximise the feeling of space, eliminating any dark corners. Clean lines and a pale palette emphasise the contemporary look, with a seamless flow in the living areas.

The front door is at the end of a path that runs down the side of the double garages, leading into an entrance hall. The open plan living area begins with the kitchen, a sleek arrangement of glossy white cabinetry and counters. The freestanding cooker has a hob and electric oven, and the separate scullery has room for three appliances. Flowing into the dining room, the soaring ceiling compliments the face brick feature wall, against which is a temperature controlled, glass-fronted wine store. Opening to the spacious covered patio through stacking doors...
